CUB SCOUT PROGRAM FOR KINDERGARTNERS WITH PACK 142!

Are you interested in participating in fun and exciting activities that are family friendly? **Lions is a family-oriented program!** A youth and his parent or caring adult partner join Scouting together. A group of six to eight boys and their adult partners meet together in a group called a den. Dens will meet approximately twice per month. They have fun participating in den meetings and outings while making memories together.

The Lion program encourages boys to learn and explore through hands-on, high-energy activities. Adult partners take turns leading a den meeting or outing during the year. Most meetings and outings are approximately 45 minutes in length.

Pack 142 is located in Parsippany, NJ and provides a quality scouting program that is designed to provide your son and family with exciting experiences and memories that last a lifetime! *In addition to Lion den meetings and outings, members of our Lion den are welcome to participate in our Pack activities and events.*
